We would like to recognize and thank the Akers Pond Road Association for their donation of money and man hours they devote to the Errol Town beach and boat ramp. The association paid for extra materials not covered by the boat ramp grant money to build the information kiosk at the boat ramp. The bulk of the planning and building of the kiosk was done by Norman LeClerc with man hours contributed by Pete Villeneuve, Leon Durant and Bob Baillarger. Ray, Nick and Dick Roy also helped.

It should also be acknowledged that the Association volunteers clean the swimming and parking area and cut the brush every spring and fall. They see that the grass gets mowed during the season. They also put the handicapped accessible dock in each spring and take it out in the fall. We thank them for all their efforts on behalf of all the townspeople and visitors who use the area.

2006 POLICE DEPARTMENT REPORT

The year 2006 brought about many changes for the Town of Errol.

Communication between the Errol Police Department and the residents of the Town of Errol was opened up with many of the citizens expressing their concerns, grievances, and also their satisfaction of having coverage on a regular basis.

2006 Statistics

- 201 Motor Vehicle stops
- 78 Summonses
- 11 Arrests
- 3 Motor Vehicle accidents
- 31 Calls for Service

2006 statistics show that overall speed, in the downtown area on the weekends is lower than in 2005. However, the speed during the weekdays is up, especially with the large truck traffic. Week day patrols were implemented to curb this concern, with several summonses issued. More weekday speed patrols will be utilized in 2007.

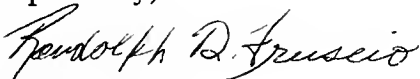

A visit to the town's elementary school was well received. The children's enthusiasm at being able to view equipment used by the police department and being able to try out the lights and sirens was a great success. Many interesting and informative questions were asked. In response the children thanked the police department with several drawings and letters of appreciation that cover one wall of the police station, as well as an invitation to return again in the near future.

A special thank you goes out to the selectmen, as well as the office staff for their continuous support and dedication. I really appreciate their continued efforts to aide the Town of Errol and the police department.

In closing, I would also like to express my gratitude to the New Hampshire State Police, and the New Hampshire Fish and Game Departments for their continued expertise and assistance to the town.

To the residents of the Town of Errol thank you for your continued support.

Respectfully,

Chief of Police

2006 LIBRARIAN'S REPORT

The Trustee's and I would like to thank everyone for their contributions to the library whether in donated time, books, audios or videos.

Vicki Cote did a great job with the summer reading program again this year. The children all enjoyed their time at the library.

Stacy Ruel, assistant librarian, has left the library for bigger and better things. Thank you for a great job and all your help over the years Stacy.

The Friends of the Errol Library had another successful book sale in August. They have purchased a much needed computer to replace the oldest one in the library (the one for the librarian's use).

The Friends are still in need of new members. If you are interested or would like more information please get in touch with Susan Dupuis who is still holding it all together.

Thank you again to Jim Grant who donates his time to keep the computers in the library running and updated. We couldn't do it without you. Our computers are used nearly every day we're open. Sometimes all 3 are in use at the same time.

A big thank you to Stacy Moody for all the time and plants she has donated over the years keeping the front of the library so attractive.

Respectfully Submitted,

Anne Bragg, Librarian

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen of
Errol, New Hampshire:

We have audited the accompanying financial statements of Town of Errol as of December 31, 2005, and for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. Therefore, these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental and proprietary fund types, nor are major and non-major funds separately identified and classified. The financial statements present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements, were such statements presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented its discussion and analysis as required. The amounts that would be reported in the missing statements and the required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determinable.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Town of Errol as of December 31, 2005, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively compose Town of Errol's basic financial statements. The Statement of Estimated and Actual Revenues and Statement of Appropriations, Expenditures and Encumbrances are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of Town of Errol do not fairly present financial position, results of operations, and cash flows, if applicable, in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying supplemental schedules.

ERROL RESCUE SQUAD 127 MAIN STREET ERROL, N.H. 03579

The Errol Rescue Squad answered over 50 calls for aid this year, and transported a total of 47 patients of all ages. The majority of these continued to result from vehicle accidents of all types.

The Colebrook Dispatch Center has made updates to their facility and training, and our dispatch arrangement with them continues to work well. Please remember: **ALL calls for emergency medical service in the State of New Hampshire should be dialed to 911.** Trained personnel at the 911 call center will stay on the line with the caller and offer assistance until the arrival of an ambulance, and will continue to update the ambulance personnel through the dispatch center during the initial response.

Our radio communication has been improved with the addition of two high powered portable radios and the installation of a new mobile radio unit in the ambulance. These radios were received at no cost from the State of New Hampshire through the New Hampshire Radio Interoperability Project. A joint training session was held at the Town Hall recently with the Fire Department on the operation of the radios.

This was once again the year for our emergency medical technicians to complete the bi-annual refresher process mandated by the State of New Hampshire to renew their ambulance licenses. We would like to thank Bill Graham, a paramedic and instructor from Berlin, for taking time from his busy schedule to come to town and teach the two weekend refresher course. We would also like to thank the Town of Errol for the use of the Town Hall. Once the classes were completed, all attendants were required to pass the State EMT exam which was held in Berlin on the evening of January 11 before submitting their renewal paperwork.

We would once again like to thank everyone for their support and assistance over the past year as we continue our commitment to provide quality emergency medical care to our communities.

Report from the Selectmen's Office

The Selectmen wish to thank the Board of Directors and Members of the 13 Mile Woods Association, Inc. and the Munn Pond Association, Inc. non profit organizations. They have put in a lot of hours in planning and setting up these organizations.

We want to set aside thirty-thousand-dollars (\$30,000.00) for the Property Update (the state is requiring we do) thus reducing the need for the entire sum in one tax year. We are due for this in 2008.

Good news this year is that the property tax went down one-dollar-twenty-eight-cents (\$1.28) for the year 2006.

The Board, on behalf of the townspeople, would like to express our appreciation to Michael "Mike" Moody for his years of dedicated service to the Town of Errol. We wish him the best in his upcoming retirement.

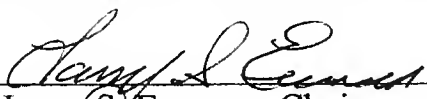

The Selectmen wish to thank Buster Robichaud for his work on the building of two offices on the second floor of the Town Hall.

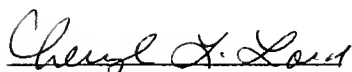

Carolyn Labrecque has chosen not to run for the office of Treasurer this year. We would like to thank her for her many years of service to the town.

Yvette Bilodeau received some grant money, to fix up the vault and put in place some shelves and equipment to store the towns Vital Records. A big project that will soon be done. Much appreciation goes to her for her time and effort to see this through.

Again, our appreciation to all the office staff for their continued cooperation and work in seeing that all goes smoothly in their given jobs.

A motion was made by Gloria Coffin and seconded by Sharon Miller to suspend the first reading of the Warrant. A voice vote was held and was in the affirmative. The first reading of the Warrant was dispensed with.

ARTICLE I: To see if the town will vote to raise and appropriate \$147,871.00 for General Government.

Executive	\$52,305.00
Election & Registration	11,325.00
Financial Administration	41,005.00
Legal Expense	2,500.00
Planning & Zoning	2,000.00
Town Hall	31,250.00
Cemetery	1,486.00
Insurance	<u>6,000.00</u>
	\$147,871.00

A motion was made by Larry Enman and seconded by Warren Robichaud to accept the Article as read.

Elaine Laflamme questioned the line item for Town Hall. She wanted to know exactly what that money would be used for. Larry Enman, Selectman, responded by saying that it was for a Bond Town Hall Renovations that still has money owed on it. Since there was no further discussion, a voice vote was held and was in the affirmative. Article I was declared passed.

Article II: To see if the town will vote to raise and appropriate \$48,844.00 for Public Safety.

Police Department	\$33,044.00
Fire Department	15,700.00
Emergency Department	<u>100.00</u>
	\$48,844.00

A motion was made by Robert Ouellet and seconded by Stanley Gula to accept the article as read. Valerie Ross made a motion to lower the Police Department Budget to \$10,000. She also presented a petition signed by legal voters of Errol to ask for a written ballot for this article. The motion was seconded by Robert Verville. A discussion followed with Pierre Rousseau asking why they wanted to lower the Police Budget to \$10,000. Valerie Ross answered that it was felt that the Police Officer worked too many hours. Robert Lord disagreed saying that vehicles were going through town too fast. Bernard Ross spoke, asking why the Police report was not in the Town Annual Report.

The Moderator, Susan Dupuis stated that the error would be rectified for next year. It was not an intentional error. Joseph DeRose commented that a police presence was definitely needed in town. There are many new people in the area year round now, and a police officer represented law and order. Sharon Miller asked if the Chief would speak as to what he had done during the current year. Chief DiFruscio reported that during the previous year he had issued 75 warnings, 60 summonses, and made 6 arrests. He had been hired in July and this represented just half of the year.

Christopher Bean asked what hours he worked. He replied there were no set hours. Amy Lane asked if he worked mainly on week-ends. He answered yes, and sometimes on Thursdays.

Selectman, Cheryl Lord, explained that the \$10,000.00 that had been in the previous year's budget was counted so that the money would be available if needed. But that that amount would cover only half a year.

Kevin Eastman asked if State Police were supposed to be in town two days a week. If that were so, he felt we would have enough coverage.

Chief DiFruscio gave an explanation of his budget.

Rhonda Antil wanted to know if Chief DiFruscio's hours could be posted so that he could be reached when needed. The Chief responded by saying that he thought that would not be a good idea. It would defeat the purpose for which he was hired.

Virginia Gula asked for a run-down of what had been spent last year. It was explained by Moderator, Susan Dupuis.

Valerie Ross thought that the State Police could provide the town with sufficient coverage. Richard Roy felt that Chief DiFruscio was very dependable and a needed presence in town. Marlene Russ thought the budget was too low.

After more discussion, Sharon Miller called the question. There was a second to the call by Pierre Rousseau.

Moderator, Susan Dupuis, explained the Article as amended. The Police Department Budget would now be \$10,000.00 instead of \$33,044.00.

A written vote was held, and the Moderator asked if there would be any objections to going on to Article III while the ballots were being counted. There being no objections, Article III was read.

Later, Moderator, Susan Dupuis, asked if the votes for Article II had been counted. The results were 30 yes, and 31 no. The amendment to Article II was defeated.

The moderator, then re-read Article II as originally written. A motion was made by Larry Enman and seconded by Richard Roy to accept the article as read. Robert Ouellet made a motion to amend the Article to \$40,000 for the Police Department Budget He felt that \$33,044.00 was not enough. Charles Kurtz seconded the motion. A show of hands was held and the results were 20 yes, and 35 not to amend. The amendment was defeated. Article II was re-read again as originally written. A voice vote was held and was in the affirmative. Article II was declared passed.

ARTICLE III: To see if the town will vote to raise and appropriate **\$11,087.00** for Highways, Streets and Bridges.

Akers Pond Association	\$5,287.00
Street Lighting	3,300.00
Enhanced 911	1,000.00
Sidewalk Maintenance	<u>1,500.00</u>
	\$11,087.00

A motion was made by Larry Enman and seconded by Richard Roy to accept the article as read.

Warren Robichaud asked what had been done to the sidewalks to warrant a budget for that amount. Larry Enman explained that the sidewalks needed to be plowed from time to time in the winter months. Debra Freedman wanted an explanation for the Enhanced 911 line item. Larry Enman replied that this money would be to process new people that move into town.

Bernard Ross asked if signs for Hampshire Woods would be replaced. Larry Enman stated that this would be done before summer.

There being no further discussion, a voice vote was held and was in the affirmative. Article III was declared passed.

ARTICLE IV: To see if the town will raise and appropriate **\$83,625.00** for the balance of the Budget in Miscellaneous Departments.

Transfer Station	\$49,125.00
Welfare	3,000.00
Parks & Recreation	3,000.00
Debt/Service/Town Hall	28,000.00
Overpayments/Abatements	0.00
Radio Communications	0.00
Vitals	400.00
Trustee Expense	<u>100.00</u>
	\$83,625.00

A motion was made by Robert Ouellet and seconded by Jonathan Lane to accept the article as read.

Sharon Lane asked if there was a set amount for flower maintenance. Larry Enman answered that it wasn't put in the budget for this year.

Jon Lane made a motion to increase the budget by \$500.00 for flower maintenance.

Kevin Eastman seconded the motion.

Pierre Rousseau thought the town might look into asking the Chamber of Commerce if they would match the funds needed for flowers this year.

There being no further discussion, the Moderator read the amended article to include \$500.00 in the Parks & Recreation line. A motion was made by Eric Ward and seconded by Paul Ancil to accept the Article as amended. A voice vote was held and was in the affirmative. Article IV, as amended, was declared passed.

ARTICLE V: To see if the town will vote to raise and appropriate **\$19,190.00** for the Water and Sewer Departments.

Water Department	\$9,540.00
Sewer Department	<u>9,650.00</u>
	\$19,190.00

A motion was made by Pierre Rousseau and seconded by Gloria Coffin to accept the article as read.

Clifford Lane commented that he was under the impression that the Water and Sewer Departments were supposed to be self-sufficient. Larry Enman explained there was a big water break a few years ago, and much repair had to be done, and there was money still owed for the repairs. There being no further discussion, a voice voter was held and was in the affirmative. Article V was declared passed.

ARTICLE VI: To see if the town will vote to raise and appropriate **\$3,925.00** for the support of the following outside services.

Upper Connecticut Valley Hospital	\$ 800.00
U.C.V. & A.V. Mental Health	350.00
U.C.V. Home Health	2,000.00
Tri-County Cap Inc.	650.00
Red Cross	<u>125.00</u>
	\$3,925.00

A motion was made by Larry Enman and seconded by Clara Grover to accept the article as read. There being no discussion a voice vote was held and was in the affirmative. Article VI was declared passed.

ARTICLE VII: To see if the town will vote to raise and appropriate \$15,905.00 for the Library Trustees.

A motion was made by Clara Grover and seconded by David Heasley to accept the article as read.

David Heasley wanted to thank Fay Hall for her many years of service as Library Trustee.

She was a great asset, and will be missed.

Richard Roy asked who the trustees were and how the money was appropriated. He was referred to page 3 of the Town Report for the names of the Trustees, and pages 42, & 43 for the Librarian's report.

There being no further discussion, a voice vote was held and was in the affirmative. Article VII was declared passed.

ARTICLE VIII: To see if the town will vote to raise and appropriate \$8,000.00 for the support of the Errol Rescue Squad, Inc. and Colebrook Dispatch.

Errol Rescue Squad, Inc.	\$6,000.00
Colebrook Dispatch	<u>2,000.00</u>
	\$8,000.00

A motion was made by Sharon Miller and seconded by Paul Ancil to accept the article as read.

Debra Freedman asked if the money given to the Rescue Squad was used up every year.

Larry Enman replied that the Rescue Squad was a separate entity and the \$6,000.00 given every year was for support from the town. Cheryl Lord commented that the Rescue Squad does not request a specific amount. The \$6,000.00 was an amount that the Town had decided to donate. David Heasley then spoke and said that the line item for the Rescue Squad should be \$10,000.00. He made a motion as to that amount. The motion was seconded by Kevin Eastman.

Amy Lane made the comment that there was no doubt the Squad could use the extra money for supplies. Bernard Ross asked what contributions were made by the other towns that used the Rescue Squad's services.

There being no further discussion, a voice vote was held on the amended article and was in the negative. The amendment to the article was not passed.

Article VIII was then re-read as originally written. A voice vote was held and was in the affirmative. Article VIII was declared passed.

ARTICLE IX: To see if the town will vote to authorize the Selectmen to finish the three rooms on the second floor of the Town Hall, for offices, and to raise and appropriate \$10,000.00.

A motion was made by Larry Enman and seconded by Debra Freedman to accept the article as read.

Bernard Ross asked if the Selectmen had a quote for the work to be done to repair the rooms in question. Larry Enman replied that they had not as yet obtained a quote. He explained that the repairs needed to be done to provide more room for offices for the different committees that meet in the Town Hall on a regular basis.

Gary Bisson made the suggestion that the work be kept local.

There being no further discussion, a voice vote was held and was in the affirmative.

The article was declared passed.

ARTICLE X: To see if the town will vote to raise and appropriate \$1,000.00 to be added to the Library Building Expendable Trust Fund, with this amount coming from the Unreserved Fund Balance on hand December 31, 2005. A motion was made by Larry Enman and seconded by Sharon Miller to accept the article as read. There being no discussion, a voice vote was held as was in the affirmative. Article XII was declared passed.

ARTICLE XIII: To transact any other business before this meeting.

Sharon Miller read a resolution concerning the safety of Routes 16 and 26. She asked that it be sent to Commissioner, Carol A Murray, of the Department of Transportation.

Be resolved that the Town of Errol request that the Governor acts in a positive matter to see that Route 16 and Route 26 are immediately upgraded, so that they provide safe interstate transport of its citizens, visitors and commerce.

The Town's way of life and safety has been adversely affected by the lack of due diligence to see that a proper foundation replaces the corduroy laden Route 16 and Route 26 in the North Country. The Selectmen agreed to do this.

Richard Roy stated that he had sent a letter to the Governor and would like to see everyone in town do the same.

Elaine Laflamme commented that the outside of the Town Hall needed to be painted and the ceilings in the men's' room needed repair.

Christopher Bean commented that the Rescue Squad members were not at Town meeting because of politics.

Richard Roy stated that the Library was in need of repair also. There is no running water in the building.

Jonathan Lane, as president of the 13 Mile Woods Association, Inc. brought everyone up to date on the project. He explained how the wood was being harvested, and that members of the board had been inspecting the work from time to time. All seemed to be going well. Brent Bouchard stated that he had heard the city of Berlin had made a proposal to the town for police patrols. Larry Enman replied that the Selectmen had not heard of such a proposal. Kevin Eastman asked how many people from town were working on the 13 Mile Woods project. Jonathan Lane explained that the job was put out to bid and new bids would be going out in the spring. Anyone was welcomed to bid on the jobs. There being no further discussion, a motion was made by Sharon Miller and seconded by Christopher Bean to adjourn the meeting. A voice vote was held and was in the affirmative. Town meeting adjourned at 12:05pm.

Respectfully submitted,

Errol School Board's Report
December 31, 2006

The Errol School Board Members: Chairman Norman Eames, Michelle Ouellet and Gloria Coffin want to thank the residents of Errol for their continued support for the Errol Consolidated School.

The Board Members are working with the new Superintendent Paul Bousquet, Principal Kathleen Urso and the staff to make sure that all of the students get a well rounded education in our school.

We can't thank the teachers, Sharon Lane and Mary (Teri) Cote and paraprofessional Carol Tremblay, enough for their dedication to their jobs in providing the students with a good quality education. The teachers have searched for different available grants to provide new ideas and programs to teach the students how to continue with their education beyond the Errol School. In some cases the teachers have used their own time to attend conferences and workshops to enhance their experiences and education. What the teachers learn is adapted for the students education. The teachers have included in their curriculum, activities to fill the empty staff positions (music & art).

Having a small school provides a more one-on-one interaction between the students and educator. Any problems that occur are quickly seen and resolved.

Nancy Bourassa, cook, provides very delicious and nutritious meals through out the school year and helps the students with fundraisers for the care packages sent to the adopted soldiers overseas.

Larry Guiles teaches Physical Education (gym) and Health and Nutrition classes thus giving the students a chance to interact with a male teacher.

Jane Jordan does art and works in the school library.

Carol Hall, school secretary, keeps the paper work under control and helps in the library.

Amy St. Cyr is the Special Education Teacher, who comes up one day a week.

Barbara Lewieux, custodian, works with Principal Kathleen Urso to keep the school building in excellent condition for the students and staff. If a problem arises that can't be handled by the custodian, an expert is called in to take care of the situation.

The building is in excellent shape, the teachers are dedicated to their jobs and the education of the students, the principal works with all of the staff to ensure that the students receive a quality education, the SAU office oversees the budget and the School Board Members make the decisions that govern the whole process.

***Principal's Report
Errol Consolidated School***

To the Citizens of Errol,

It is with great pleasure that I present to you my report on the status of the Errol Consolidated School. We currently have twenty two students enrolled in the school, eleven working with Mrs. Lane and Mrs. Tremblay in the K-4, eleven working with Mrs. Cote in the 5-8. Students meet with Mr. Guile once a week for Health and Nutrition class and once a week for Physical Education. Ms. Jordan teaches Art one day per week and Library one day per week. Mrs. St. Cyr works with our Special Education students two days per week. Mrs. Bourassa provides wonderful meals for our students and Mrs. Lemieux keeps our building clean and in wonderful shape. Our "team" is committed to providing your children with a safe, secure environment in which they can learn and grow.

Staff professional development over the past few years has focused on "differentiated instruction", which is teaching with the needs and strengths of each individual student in mind. To individualize, staff must continually adjust plans and curriculum, assess students and provide challenges to each child; their personal progress is tied to their effort and ability. Students who need reteaching and reinforcement or a greater challenge than the basic curriculum provides receive it through small group or one to one instruction. State assessment tests as well as our computerized NWEA/MAPS tests, which are done twice per year, also track the progress of each child.

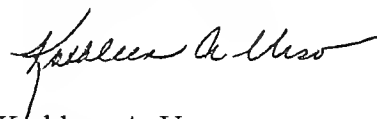

We do a number of cross curriculum units, during which students in all grade levels work on a particular theme or project and it incorporates many different subject areas. Last year we did a project on Mexico and students studied the history, geography and culture of the country. They learned songs, dances and cooked foods from Mexico; we even had a Mexican ensemble come to the school.

Throughout the school year, we have a number of special events and activities which include our annual visit to the Poore Family Farm Museum and Colebrook Fire Station, our winter "beach party", winter carnival, holiday and spring performances, ski/snowboard lessons at the Balsams, Jump Rope for Heart, Union Leader Stock Market portfolios and statewide spelling bee, the eighth grade Crossroads Conference at the Balsams, Lego Camp, field day and graduation. This past school year we also had a book fair, a visit to the Balsams to meet with Pastry Chef Steve James and his staff, visits and workshops from the Planetarium, the Montshire Museum, the Kids on the Block Puppet Theater, and a number of performers. Our Student Council sponsors both the annual Halloween Party at Town Hall and our end of the year visit to Heritage New Hampshire and Storyland and our Builders Club visits the Coos County Nursing Home in Berlin monthly as well as "adopting" active duty servicemen and servicewomen; we send packets of letters each week and a care package of snacks and supplies every month. We are currently sponsoring six soldiers.

In addition to professional development workshops and conferences, staff continues to review and revise curriculum to insure that we meet or exceed state standards and meet adequate yearly progress requirements. We research, write and receive grants in order to provide many of the extra activities and bring in educational programs without additional cost to the citizens of Errol. Staff has also worked with the Heritage Commission to write grants to help renovate the town lock up.

I would like to thank the parents and volunteers as well as the members of the Errol School Association for their efforts to improve the back field, install a baseball diamond and provide after school sports activities for the students. I would also like to thank the Superintendent, the members of the Errol school Board and the citizens of Errol for their continued support and commitment to Errol Consolidated School.

Respectfully submitted,

Kathleen A. Urso

Superintendent's Report
Errol School District
Errol, New Hampshire

Dear Citizens of Errol,

I would like to begin by thanking you for giving me the opportunity to serve the students, staff, parents, school board and citizens of Errol as the Superintendent of SAU 20. Through my new position, I have been able to meet some outstanding students and parents, work with dedicated educational professionals, and make connections with local town officials. With the help of the Errol School Board, which has the students' best interests at heart, I began to assist the staff in its continued efforts to provide an excellent education for the children of the community.

Since July of 2006 I have made several trips to Errol to visit the school and find out what this tight knit educational community was all about. The atmosphere of the school is a positive, caring one, where children come first. The staff attends training sessions to gather skills that will help make your children successful students and contributing members of society. Balancing a curriculum that may consist of four grade levels in one classroom and many levels within each grade is not an easy task. But, this talented staff approaches these challenges with a nurturing and can do attitude. The citizens of Errol should be proud of their school and the educators who serve their children.

The School Board has been working diligently on the tasks of governance that the citizens have entrusted to them. The Board continues to strive for fiscal responsibility while providing a quality education for the students. As we work together on budgets, policy and general operation of the school, the Board continues to stress the importance of the school as a centerpiece of the community. They are always mindful of the tax impact regarding your children's education and will not sacrifice the quality of education at the Errol School.

I want to thank Pauline Plourde, SAU 20 Business Administrator, Steve Gordon, Director of Special Education for the Errol School, and the outstanding office staff of SAU 20 for their advice and assistance during my first year as Superintendent. Kathy, Teri, Sharon, Larry, Jane, Nancy, Amy, Barbara, Carol and Carol, you are a great team. Pete, Michelle and Gloria, I appreciate your efforts in keeping students as your main focus. Thanks to the parents and citizens of the community who continue to support our outstanding students through time, tax dollars and pride in your school.

Oh yes, I almost forgot, the Errol School serves the best meals in SAU 20!

Finally, I would invite anyone to call me with questions or concerns about the Errol School.

Sincerely,

Paul Bousquet
Superintendent, SAU 20

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Errol School District
Errol, New Hampshire

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Errol School District as of and for the year ended June 30, 2006, which collectively comprise the Errol School District's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of Errol School District as of June 30, 2006, and the respective changes in financial position there of for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management discussion and analysis beginning on page iii is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.
